I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on Oregon's north coast.

I am a resident of Astoria, but I also work with a non-profit who partners with Consejo Hispano. I am able to see up close their excellent work in the north coast of Oregon. They needs a permanent and safe space to continue their important programing - now two decades in the making. The services provided by Consejo Hispano are extremely valuable to the people of our town and surrounding areas. The acquisition of Casa Mariposa will only increase their capacity to continue to do good - so much good!
