Capital Construction Co-Chairs Girod and Nosse,

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

Consejo Hispano is a valuable asset to our community. Not only do they represent a largely under served population in our region, they educate the entire population about the importance of diverse communities in general. Beyond the services they provide, the events they sponsor bring all of the community to celebrate, not only the Latino/Latinx population but all of the region. Their generosity of heart and healthy community engagement is commendable. Casa Mariposa is the home for all.

Please consider their request.

Thank you,
