Representatives,

I am strongly opposed to HB 1599, and urge you cease efforts moving this bill forward. It was very clear by the engagement we saw this fall, that people want their chance to vote on this referendum, and the expectation was for a November vote. It is frankly despicable that certain legislators are willing to blatantly ignore the will of the people to play politics toward their favor. If the 'gas tax' bill is truly the right thing for the state, use your efforts to convince people of that!!!

Again, I strongly oppose HB 1599.
