Capital Construction Co-Chairs Girod and Nosse,

Latino Network writes in strong support of Consejo Hispano's request for funding for Casa Mariposa to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

We deeply value the services and supports that Consejo Hispano provides in the North Coast where our Latine communities have limited options for support. We know and trust Consejo and firmly believe that this investment will enable them to strengthen our Latine communities at this very critical time which will strengthen all communities.

Thank you.
