Measure, Appointment or Topic: HB4120
I OPPOSE [HB 4120].

I do not smoke and abhor the Tobacco Industry.

I do not Support 'Vaping' anything.

However, smoking Tobacco products and Marijuana products are legal activities.

I am also 'Not' affected by the smoke from Tobacco and or Marijuana smoke.

I am also mindful that some unfortunate people have become addicted to smoking Tobacco products.

Question: Is an addiction to smoking Tobacco a disability?

What's next, banning leftist, beer drinking, country-western music hating-good-looking lesbians from their apartments too?
