I am writing in SUPPORT of Sen. Suzanne Weber's request for funds for site improvements to build a new distribution facility for North County Food Bank. The food bank is a critical part of the safety net for our Tillamook County neighbors who face food insecurity. Our local food bank has been a consistent distribution space for 33 years. Their continued presence is important to our community. Your allocation of funds will support the initial infrastructure elements, including water, sewer, and electricity, to the site will provide about 25 percent of the funds necessary for the project. NCFB has secured donations and grants to construct the rest. I believe this is a reasonable investment of state dollars that will provide returns for decades to come for the people of Tillamook County. The site has room for expansion, and the utilities will support future needs.

Please allocate funds for the North County Food Bank New Distribution Facility project.

Thank you.
