The North Tillamook County Food Bank is an essential contributor to the health of the poor and struggling in Tillamook County. I am writing in support of Sen. Suzanne Weber's request for site improvements to build a new distribution center.

I am a volunteer at the food bank on distribution days and I meet and interact with our clients. Their gratefulness for our services often brings tears to my eyes because I see their needs and respect their humbling cry for help. I believe our food bank provides strength and nourishment for them to continue on - on a very difficult path. Thank you for considering supporting our effort to help the people of our area. This is a very worthy institution.
