On Behalf Of:
Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction
Measure, Appointment or SB5701
Topic:

Capital Construction Co-Chairs Girod and Nosse,

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

Casa Mariposa, as its name suggests, is a place, a space where people can feel free and safe, a space where our communities and minorities can find support and assistance in any adversity or difficulty, especially during this challenging time when our immigrant communities are being targeted by hatred and racism. Casa Mariposa represents love, unity, integration, and respect, and these are the values for which Casa Mariposa stands.

For this reason, we need your support so that Casa Mariposa can continue its work and help our community.

Thank you,
Alex Garcia M.
