

Submitter: Rob Dubuc
On Behalf Of: North County Food Bank
Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction
Measure, Appointment or Topic: SB5701

Please do everything possible to support the construction of a new facility for the North County Food Bank. There are a lot of folks hurting out there, and the food bank is one of the few rays of hope they can depend on in time of need. The Food Bank is the one charity that we support financially each year and we appreciate anything you can do to help them.
