

Submitter: Martha Cornelio

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

My name is Martha Cornelio and I am a Small Business Owner, mother, and wife. I reside in Hillsboro, OR and I oppose SB 1586 and any amendments that would still expand the Hillsboro UGB, regardless of acreage, because it undermines statewide land use guidelines, threatens farmland and agricultural economy in Washington County, and it threatens the environmental wellness of the city.

As a parent and proud resident and tax payer of Hillsboro, OR I value agriculture, environmental well being, and local businesses. I don't want to live in a place that is overly saturated by data centers, this is not what I want for my children or neighbors. For these reasons and more I oppose this bill and ask that you vote no. Thank you.
