Capital Construction Co-Chairs Girod and Nosse,  
I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

Consejo Hispano is an integral part of our community. Now more than ever we need safe housing and support for people on the North Coast. Consejo Hispano has collaborated and supported our childcare organization over the years. We have had a wonderful working relationship with them. We know that their support of our community members is essential to a vibrant and diverse community.

Thank you,
