Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or
Topic: SB5701

Capital Construction Co-Chairs Girod and Nosse,

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

This project has equal parts community service/equity and economic development and is under the leadership of a long-established, highly esteemed local organization called Consejo Hispano. This is good business and good community support.
