

Submitter:

Laurie Moses

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4001

Honorable Members of the House Committee on Judiciary,

I strongly support HB 4001 and would like you to do all you can to move this bill forward. Requiring the Department of Justice to study ways the state may address unlawful immigration enforcement activity will increase accountability, allow for true due process, a lead to federal officials respecting the rights of all people.

Please help this bill become law.

Thank you,

Laurie Moses
