Capital Construction
Measure, Appointment or Topic: SB5701

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

Consejo Hispano supports community well-being by ensuring people can provide for themselves and one another, build intergenerational wealth, and stay connected to their culture.

As an organization, they fight against all manifestations of inequality, discrimination, hate, and marginalization. They assist all people equally by providing a safe space, and service that is kind, inclusive, and free of prejudice.

This kind of organization needs your consideration. Please show up for our county by helping to support them in accessing Casa Mariposa so that they can have the space needed to continue to show up for our community!

Thank you,

Moe Odell
