Capital Construction  
Measure, Appointment or Topic: SB5701

Hello! my husband and I have owned businesses in Manzanita for almost 30 years. After learning more about the food scarcity in our area of the Oregon coast we have committed to regularly donating to the local food bank and have given \$2,000 in the past 6 months. We would absolutely love to see the food bank with a permanent home. Thank you for helping make this possible. We will do our part to help keep it stocked.
