

Submitter: Ronald Emineth
On Behalf Of: North county food bank
Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction
Measure, Appointment or SB5701
Topic:

Hello, please approve funding for the north county food bank in tillamook county. I actually work at the FB and have seen the positive impact to the community it serves. We are in desperate need of assistance with building our own permanent building that we can call our own and continue helping those in need. Thank you so much.
