Shelby Staffenson

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic:

HB4105

I support HB4105. We need to manage our forests better, and this is a step in the right direction. We've had too many huge wildfires in recent years and that's because nothing is done about the dry fuels in our forests. Decades ago, the forests were much better managed. Please vote YES on HB4105.
