

Submitter: Rick Russell

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or SB5702
Topic:

Ctte Chair & Members,

I write in support of LIFT HO funds. I believe housing to be the most significant affordability issue in our region. We have capable developers and opportunities to build the kind homes most needed, and LIFT HO funds will be an effective tool to get more units built.
