

Submitter: Ann Culter

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

I am opposed to SB 1586. We do not need AI buildings taking up 170,000 acres of prime farmland in Hillsboro, or anywhere else. AI also uses a tremendous amount of energy which is better used for powering homes and businesses. We had better think, for future use, how we are going to feed out population.
