

Submitter: Rita Ruddiman

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

My name is Rita Ruddiman and I am a farmer from Toledo Oregon. I am writing to you today to strongly oppose SB 1586. This is an unnecessary annexation of EFU zoned land that hurts farmers, sets a bad precedent for ignoring the public process in land use matters, and disregards our high value soils in favor of enriching a few.

This is Important to me because farmland, energy and water resources are finite, over use and loss of those resources cannot be reversed.

Oregon has a thriving community food system because our land use laws protect EFU land close to our urban centers. Without this land, small farmers would not be able to make all the CSAs, farmers markets, and farm stands that Oregonian's love possible. SB 1586 is not necessary, there is other land within Hillsboro's UGB and the UGB of neighboring cities like Wilsonville that are better suited.

Do not sacrifice this agricultural land for a vague promise of tech investment. Do not set a precedent of ignoring community input and public process. Do not support SB 1586.

Thank you,

Rita Ruddiman
