YOUR KIDDING RIGHT?? Really, you are so desperate to find anyone that you can send a ballot to, and not get caught, and hope they will vote for your ridiculous antics!

I have news for you..... our children are learning the truth about Oregon politics, because it is being heralded all over the nation! The gigs up! Our kids want a state that will still be here to grow up in, one without people who go around destroying things and throwing curse words everywhere. (They may be those who didn't learn language arts in schools, so they are limited to 4 letter words they can spell.).

There is absolutely NO reason to expect a child to vote with strong knowledge of bills at age 17, ask any medical professional, their brains aren't fully developed yet.
