NO on SB 1574

You've got to be kidding me!! You must be desperate to get voters after the Feds deport the Illegal Aliens and they won't be able to vote for you and the leftist WOKE agenda.

There's no reason for a change to current law requiring individuals to be 18 to vote, this is the age of adulthood and should be left alone. How can you expect a child to vote with strong knowledge of bills at age 17, ask any medical professional, their brains aren't fully developed yet. That's why they can't buy alcohol or be trusted with handguns. You've wasted taxpayer monies on DEI instead of teaching reading, writing, and math in the schools. You've groomed a whole generation with lies and deception; a little army to control to keep you in power.

This is absolutely unnecessary and a waste of time! We didn't hire you to run our state into the ground, get some common sense and dump this bill.

Vote NO on SB 1574!!
