

Submitter:

Robert Havas

On Behalf Of:

Committee:

Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or

SB5701

Topic:

As a resident of Leaburg, I have seen the impact McKenzie River Discovery Center has had on the river community. The McKenzie River valley has been struggling to revive itself since the Holiday Farm fire and MRDC is one of the bright spots in that recovery. Please help fund the completion of this viable community asset.
