Measure, Appointment or Topic: HB4001

Chair Kropf, Vice-Chairs Chotzen and Wallan, Members of the House Committee on Judiciary,

Thank you for this opportunity to testify in support of HB 4001.

While there is ample reason, at the current time, for this bill which asks the Oregon DOJ to study ways the state may address unlawful immigration enforcement activity, potentially mitigating unlawful immigration enforcement activities could help protect the rights of all individuals and ensure enforcement practices align with state and federal laws. However important the downstream effects may be, with the current behavior of ICE and Border patrol we must study and, based on that study, craft language that strengthens our understand and protection of the rights of all people.

Please pass this bill into law.

Thank you.

Nancy Mills
