On Behalf Of: Consejo Hispano  
Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction  
Measure, Appointment or SB5701  
Topic:

I am writing to express my support of Casa Mariposa and to request your sub-committee help this community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

Consejo Hispano is a wonderful resource not only for Astoria, but for Clatsop and Tillamook Counties as well as Pacific County in Washington State. They serve many people and especially families of all backgrounds and ethnicities in these communities with a wealth of services. They are a positive force for strengthening youth and families in our communities and Casa Mariposa is a key element in their organization. Casa Mariposa is now the hub for their work on the North Coast and is becoming a thriving community center for Astoria and beyond.

Thank you for your consideration in this matter,  
Lori McDonald
