Capital Construction Co-Chairs Girod and Nosse,

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

I support Casa Mariposa because it's more than just a building, it provides a home for a nonprofit that uplifts our community. It's a safe, welcoming space where people can access resources, feel supported, and come together through meaningful events that create connection and hope.

Thank you,
Rosa Arreola
