Kirk Barnes

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

HB4002

I support HB4002 limiting number of proposed bills.

Due to the fact that most bills being proposed during sessions are simply regurgitations of existing law simply so legislators can produce politically motivated press releases that make an appearance of doing something helpful, I support HB4002.

Lawmakers need to do work for Oregonians not their election campaigns while in session.
