Measure, Appointment or Topic: HB4105

I oppose House Bill 4105.

It undermines the state forest habitat conservation plan and would result in more clearcuts, more lawsuits, less habitat for salmon and wildlife, and less carbon storage.

The bill is unnecessary. The Department of Forestry regularly meets or exceeds its timber harvest goals, often at the expense of clean water, habitat for fish and wildlife and carbon storage goals.

Please prioritize clean air and drinking water for Oregonians.

Thank you
