

February 14, 2026 (Happy Birthday, Oregon!)

Bend, Oregon

Re: SB 5702

Dear Co-Chair Girod, Co-Chair Nosse, and members of the committee,

We are writing in support of the LIFT HO funds. Housing continues to be a problem of vital importance for many in Oregon, and funding Affordable housing is critical. Others have covered the details better in their testimony - we write in support of them.

Thank you,

David Welton

Ryan Starr

Rick Russell

John Heylin
