On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4105

Dear Co-Chairs Helm and Owens, Vice Chair McDonald and Members of the
Committee,

I oppose House Bill 4105.

This bill flips our values, placing timber production over other forest values and is counter to our forest habitat conservation plan. The result would be lawsuits, reduced wildlife habitat and carbon storage, and clear cuts.

None of this serves our higher values.

Please oppose this bill.

Respectfully Yours,
Jennifer Pratt
