I'm writing in SUPPORT of the North County Food Bank New Distribution Facility Project. The food bank has helped feed our Tillamook County community for 33 years, and they have to move because their old building is being demolished. This appropriation provides needed infrastructure for the project. NCFB activities are widely supported by the community. An example is our annual Food Can Tsunami event which involved over 500 participants and raised 8300 pounds of food and \$30,000 of support. Please support this important infrastructure project for the community.
