I am writing in SUPPORT of Sen. Suzanne Weber's request for funds for site improvements to build a new distribution facility for North County Food Bank. I believe this is a reasonable investment of state dollars that will provide returns for decades to come for the people of Tillamook County. The site has room for expansion, and the utilities will support future needs. The North County is a critical part of the safety net for our Tillamook County neighbors who face food insecurity and has been a consistent distribution space for 33 years. Their continued presence is important to our community. Thank you.
