Measure, Appointment or Topic: SB1586

I am writing to oppose bill SB1586.

This bill would raise the price of prime farmland and break the State's promise to protect farm and forestland and entrusted by state law.

This bill would primarily benefit a couple of landowners who would rather sell their land as industrial rather than farm and forest land.

There is no reason to pass this bill other than as a gift to a few landowners and to allow data centers to be built in the Portland area. I strongly urge you to vote no on SB 1586.

Thank you. Lee Rengert Salem Oregon 97304
