Resources, and Water

Measure, Appointment or Topic: HB4105

I am opposed to House Bill 4105. Timber production must not be prioritized over other forest values. The passage of this bill would cause more clear cutting, less habitat for salmon and wildlife and less carbon storage. It would also allow recipients of timber revenue the ability to challenge implementation of the timber harvest rule in court.

Please keep our forests safe and oppose this bill.

Thank you,

Sherry Weiland
