Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

I am writing to oppose SB 1586. The UGB still contains plenty of land for future industrial development, and encourages redevelopment inside current boundaries over destruction of additional farmland. The Tualatin valley contains some of the best soil and conditions for food production in the state. Once developed, we can't get it back. Vote no on SB 1568 and put our community's interests ahead of the quest for private profits.

Thank you for your consideration,
Heather Ferrin-Myers
