Hello, my name is Mark and I have been volunteering at the North County Food Bank going on 7 years now. I am writing in support of Sen. Suzanne Weber's request for funds to help build a new distribution facility in North Tillamook County. The North County Food Bank was forced to leave our location we used for more than 30 years and we were not able to find any existing structure to permanently continue our appreciated work for the community. It's probably not hard to understand why I'm writing in support of this possibility, I feel it is very important to the health of the community in more ways than just the obvious food assistance. It is at the way of showing we care for each other, and this kindness travels far and wide rippling into the rest of the world. I hope you agree it is a healthy choice to allocate funds for the North County Food Bank new distribution facility.

Thank you for reading my simple thoughts on this possibility, and I wish you peace with all your decisions.
