SB1517

I am writing to respectfully urge you to oppose SB 1517 as amended by either the -6 or the -7 amendments. As an outdoor activities' enthusiast, I STRONGLY oppose this bill and remain concerned that SB 1517 -6 or -7 does not solve the insurance crisis. By allowing something like this through we will see soaring costs for operations in activities across the state. My personal sport of choice, snowboarding, would be forced to drive up costs. This would sell fewer tickets and be harder to maintain profitability for resorts and we would see the closure of a historic site, Timberline, among the other excellent ski resorts.

SB 1517 can ruin the great outdoors of Oregon for many. Let's not allow this bill to destroy what we are best known for.

Please refocus your efforts to support SB 1593.
