

Submitter: J David Flemming
On Behalf Of: North County Food Bank
Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction
Measure, Appointment or SB5701
Topic:

I am writing in support of the capital investment for needed utilities for the new facility for the North County Food Bank. This is supported by our Senator Suzanne Weber. The North County County Food Bank has worked to eliminate hunger for over 30 years and will continue with this important mission into the future with your support. I urge you to approve this expenditure.

Thank you, J. David Flemming
