

Submitter: Merle Wallis  
On Behalf Of: North County Food Bank Distribution Center  
Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction  
Measure, Appointment or SB5701  
Topic:

As a long-standing member of the North Tillamook County community I can attest to the reliability and dedication of the many volunteers who have kept our food bank going in the face of many obstacles. Since the food bank has been forced to relocate they have valiantly worked to continue to operate.

We are a small, but caring community with limited resources and we need your financial help to continue to provide food for those residents who depend on this service. We personally donate what we can, but the current need can only be met with the help of the legislature.

Thank you.

W. Merle Wallis
