

Submitter: Pamela Anne Bahnsen  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

To whom it may concern:

Our public lands & private lands are being assaulted from all directions, as well as, the degradation of our environment.

I am OPPOSED to this bill because it is my understanding that a tremendous amount of water is needed for AI. If Oregon makes it easier for big business to come in & buy up our lands, where then will the water come from to run this AI businesses?

Thank you,  
Pamela Anne Bahnsen
