Topic:

Capital Construction Co-Chairs Girod and Nosse,

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

Casa Mariposa represents what Astoria needs, a community service open to all, and collaborative to provide services. From warming center partnerships, summer programs for youth, and expanding support to our local indigenous populations for office and gathering space is only a tip of the Butterly wing that is Casa Mariposa!

From the history of the building to the present this community building and gathering place is needed in our community.

Thank you,
Beth van Elswyk
