

Submitter: Deborah Hereford
On Behalf Of:
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1586

Dear Lawmakers,

As a middle school teacher who has spent the last 20+ years teaching about the importance of watersheds and caring for our waterways, I implore you to vote no on this measure. Data centers use incredible amounts of water and cause damage that will affect generations to come. Please protect our children and our local ecosystem. Vote no on this proposed measure.

Thank you,
Deborah Hereford
