Vicki Haker

On Behalf Of:

Committee:

Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or

SB5701

Topic:

As a longtime volunteer at the North County Food/Clothing Bank, I realize its strategic value to the community. Working in a condemned building for the last five years cemented my belief that the most vulnerable among us deserve the safety, dignity and respect that the more fortunate enjoy. Thus, I fully support this new facility, and hope to volunteer to help when it's up and running.
