

Submitter: Clifford Agocs
On Behalf Of: Timberline Mountain Guides
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB1517

I am writing to respectfully urge you to oppose SB 1517 as amended by either the -6 or the -7 amendments.

As the owner of Timberline Mountain Guides - a small recreation business that employs 25 Oregonians - I am a supporter of Oregon's recreation and fitness community. SB 1517 -6 or -7 do not solve the insurance crisis that faces my company and so many like it.

SB1593 is designed with small recreation businesses in mind and will help rein in the extreme costs of liability insurance that face providers like myself despite not having any claims against us. ORCA has overwhelming bipartisan support, will address the recreational insurance crisis, and is already further along in the process.

Please refocus your efforts to support SB1593!
