

Submitter: Curtis French

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

I am unalterably opposed to this measure that is a direct assault on the agricultural community that is a vital economic contributor to the health of Oregon as a polity. No compromise is acceptable. The agricultural land in this area is some of the best in the entire state and to further cover with either sprawl housing or acres of paved parking lots serving huge single story warehouses/manufacturing would be a tragic misuse of this essential resource.
