

Submitter: Lucy Miranda-Sanchez

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

Having helped identify states with the best tax credit deal I can say with utmost certainty that the states who bend to corporations lose more than the gain. Don't let Oregon bend. We ain't gonna benefit. Temporarily yes but in the long term no they just don't bring much work except during construction. And they will increase the electricity bills and ruin our water supply.
