On Behalf Of: Oregon
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1586

There is lot of land in Oregon that is Not grade A1 or A2. Why are we 'giving' away some of the best land in Oregon- no, in the whole world- when we have other land that will do. Not many states can grow food the way Oregon land can. Why desecrate one of our best assets?

Please vote no on SB 1586. People in that district have defeated this effort multiple times. Only moneyed interests that don't give anything to growers or residents can keep bringing it up. You can't eat money.
