

Submitter: Lawrence Harris

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

This bill encourages data centers which do not provide long term jobs. It gives away tax revenue which the county needs (although I read there might be backtracking on this) and it threatens to pave over 1700 acres of prime farmland. It seems so obvious that this is bad—why is it even being considered?
