

Submitter:

Pamela Carpenter

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4105

Please vote no on HB 4105. Our forests provide us with drinking water, shade our rivers where fish spawn, grow and lay eggs, moderate temperature which we need in a time of hotter summers and lower precipitation. So much more is at stake! Our forests are our children's future. Let's maintain that legacy.
