On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

I am opposed to this bill. The citizens amended the constitution to prevent you from spending more than was budgeted. Now you are simply trying to work around the publics stated desires by STEALING that money so you can waste it. There are so many ways you could cut waste instead of increasing taxes, which is what this bill is really all this bill is - a tax increase.
